THE SIMPLEX DIFFERENCE

- Over 40 years of experience.
- 24 hour, 7 day service & support.
- Same day delivery in our own trucks & service vans.
- The single source for ALL your chemical, paper & janitorial supply needs.
- Stocking ALL major brands & Simplex Select quality brands.
- Pre-set weekly or monthly deliveries.
- Free on-site demonstrations, set-up and training on ALL brands of equipment & machinery.
- On-site repairs by our own staff of repair technicians.
- Free loaner machine while we repair your equipment (no down time).
- Extended warranties & preventative maintenance programs available.
- On-site or classroom training at Simplex (including video & computer programs) on cleaning, safety & time management.
- State of the art management tools, customized pre-printed order forms, inventory sheets & usage reports available.
- Interactive website that allows for password protected order entry and purchasing history.
- Full-line color catalog on web, flash drives or in print.
- Free consulting at our location or yours to educate you & your staff.
- Free training & updates on floor care, carpet care, restroom care, environmental/green concerns, right to know, blood borne pathogens, OSHA requirements & more.
- Customized safety data sheets SDS/MSDS for all products updated to current OSHA regulations.
- Creative financing available including leasing options. Accepting VISA, MasterCard & American Express.
- State of the art warehouse, showroom, repair shop, training facility & outlet store in our new building off Rt. 1 in Sharon, MA at the intersection of Rt. 1 and 95, two miles north of Gillette stadium.
- 100% satisfaction guaranteed.

SIMPLEX SERVICE PLUS EQUIPMENT PROGRAM

SINGLE SOURCE OF SUPPLY, TRAINING, AND REPAIR FOR ALL YOUR EQUIPMENT NEEDS.

WE DON'T JUST SELL YOU A MACHINE; WE SELL YOU A COMMITMENT!
SALES • DEMO • TRAINING • REPAIR

DEMO

Start with a free demo at your facility or ours.
We give you the ability to try out the equipment before you purchase.

CHOICE

Choose from the very best machines from every major manufacturer.
(We stock them all.)

DELIVERY & SET-UP

Simplex will deliver and set-up your new equipment at your facility.

TRAINING

Simplex will make arrangements with you to train your personnel on the operation, maintenance and safety of your new machine, and we will continue training throughout the life of the machine.
Multi-lingual training and training media available.

REPAIR

Simplex will provide on-site repairs, if necessary, with our fully-stocked fleet of service vans. If a repair cannot be made on-site, Simplex will leave you a free-loaner machine to use until yours comes back.
(Thus eliminating any costs relating to down time)

EXTENDED WARRANTY

Extended warranty available. Simplex will extend the manufacturer's "standard" warranty for parts and labor for an additional one year.

* Terms and conditions established at time of sale.

FINANCE & LEASING

Extended payment plans available to accommodate every budget.
Low -interest leasing program available.
All major credit cards accepted
(MC, VISA, AmEx).

TRADE-IN

With the purchase of your machine, we will always give you the highest value for your trade-in equipment.

LOYALTY PROGRAM

- A. Simplex offers its customers a discounted repair rate when your machine is out of warranty.
- B. Additional discounts are offered on all vacuum bags, filters, parts and accessories during the life of the machine.

SATISFACTION

100% satisfaction guaranteed.

WE STOCK ALL MAJOR BRANDS OF CLEANING EQUIPMENT

OUR SERVICE BEGINS AFTER THE SALE IS MADE • 24 HR 7 DAY SERVICE

3M Scotch-Brite® Surface Preparation Pads

Reduces the need for chemical strippers. Use pad with neutral cleaner or water. If neutral cleaner is used, rinse floor with water prior to applying floor finish. Once floor is dry, dust with 3M Easy Trap Duster before applying floor finish. Helps reduce labor hours and material costs related to stripping floors. No slippery residue from strippers. No stripper cleanup on baseboards or nearby floors. No chemical contamination on skin, clothes and shoes. Effectively removes floor finish, leaving a clean surface ready for recoating. Product can be used on vinyl tile, marble, terrazzo, concrete and other floor types. Prepares hardwood floors for finish applications. Scuffs surface to create optimal bonding of finish. Diffuses scratches and conforms to uneven surfaces. Use with water-based or oil-based finishes.

Edge- Boost Oscillating Machine

Tomcat® NANO EDGE® Oscillating Scrubber

Remove multiple layers of finish without using chemicals, clean grout lines and stairwells with ease. Motor: .33 hp; Motor speed: 4100 rpm. Current draw: 1.2 amps; Voltage: 110 vac/50-60 Hz. Cord: 30', 18 gauge; Cleaning width: 10.5". Includes handle. Clean any other small area application that walk-behind scrubbers can not access due to size. From removing layers of dirt from grout lines to caked on layers of dust and dirt, this machine is very powerful. This machine can even be used on your bleachers for getting into the overhangs that are typically very hard to reach by hand. 10 gauge steel chassis.

MLT0500

ea

Tomcat EDGE® Floor Machines

Ideal for chemical free stripping of most floor finishes and is made in the USA. The "ST" model's super duty 1.5 hp motor runs at 1725 rpm, allowing it to operate quietly and without knocking up dust. The "HD" models heavy duty 1.5 hp motors runs at 3450, for increased productivity. Square corners allow it to work into corners that are missed by traditional "round" pads. Environmentally friendly "dry strip" approach is safer for the earth and operator by eliminating harsh chemicals and slippery conditions. Built to work "Wet" also, for traditional use. These surface preparation machines give operators the ability to remove multiple layers of finish, without using chemicals. Handlebar: 12 gage steel, adjustable.

NaceCare™ Twintec Battery Scrubber

With 11 gallon solution and recovery tanks, this 20" walk behind scrubber is compact and so easy to use anyone can operate it. Solution/Recovery tank: 11 Gal./11 Gal.; Waterlift: 50". Vacuum motor: 0.5 HP, 400W; Brush pressure: 75 lbs. Brush speed: 150 rpm; Brush motor: 400W. LED control panel continuously provides operator with vacuum, water and battery status. Semi-parabolic squeegee with Linatex blades pivots from side to side providing excellent water recovery. Tear-away squeegee equipped with quick-release squeegee blades for easy cleaning. (2) 100AH 12V Gel batteries.

MLN102

20" ea

Clarke® Vantage 13 Compact Micro Autoscrubber®

Delivers an even, consistent pressure over the floor for a deep, uniform clean with safety in mind. Scrub Type/Pressure: Dual, 6.5" disc brushes/33 lbs. Scrub head speed: 200 RPM. Solution/Recovery Tank: 1.8 gal./2.1 gal. Armed with two sets of squeegees, this machine recovers cleaning solution in forward and reverse.

MLC300

13" ea

Clarke® Vantage 17B Compact Autoscrubber®

Combines ease-of-use and maximum productivity to deliver the highest scrubbing performance for small area cleaning applications. Compact, maneuverable design allows cleaning in areas with limited space. High capacity solution and recovery tanks provide up to two hours of cleaning. Center-pivot squeegee system ensures superior solution pickup. Simple controls and high maneuverability enable operators to use this machine with little to no training required.

MLC017

17" ea

Clarke® Focus® II Autoscrubbers

Conventional disc models of the Focus® II are available with either 17" or 20" disc scrub decks. The 20" models may be selected with either power traction or brush assist drive. The 17" model is available with traction drive. The brush/pad driver installation and removal is made simple with an easy on/off push button control. .5 hp, 2 stage tangential discharge vacuum motor.

MLC10002	20", Power Traverse	130AH, w/Boost, CMS	ea

Clarke® Focus II Mid Size Autoscrubbers

Provide an increased capacity, longer run times, and are easy to operate! Disc scrub deck is powered by two heavy-duty brush motors. The gimble mounted brushes and pad driver contours to uneven floors for even scrubbing agitation. The cylindrical model is ideal for scrubbing grouted tile, imperfect, or rough textured floors. Debris is conveniently collected into a removable tray by the counter rotating brushes. The brushes are also easy to change out without using tools. The optional Chemical Mixing System gauges the appropriate amount of chemical and mixes it into the solution flow. The ounce per gallon setting is controlled by a knob on the control panel. Vacuum Motor Power: .75 hp, 3 stage tangential discharge.

Floor, Furniture and Surface Protectors for all Environments

NEW Products

NEW Door Wedges

- Holds standard and auto-closing doors open
- Keeps the floor clear
- Perfect for floor maintenance, cleaning and moving
- It will not damage door hinges

NEW Clear Sleeve™ Floor Protectors

- Transparent sleeve blends in with most furniture
- Flexible sleeve securely forms to size and shape of chair or table leg
- Cushioned felt tip lasts longer than standard felt pads
- Perfect for hotels and restaurants

Vending Machine Floor Savers®

- Easy to install, peel and stick back
- Protect floors from scratches, dents and rust stains
- Ultra durable to handle even the heaviest machines

Snap-On Floor Savers®

- Easy to install without tools
- Locks in place without adhesive
- Protect floors from scratches and rust stains
- Help keep rooms quiet by reducing noise when moving chairs and tables
- Reduce furniture damage by alleviating stress on joints
- Extend the life of original furniture glide

NEW Improved Slip-On® Floor Savers®

- Re-engineered to grab leg tighter with a passive locking system
- Lasts longer, more durable with reinforced sides
- Easier to install, harder to remove

Replacement Chair Tips

- With or without felt to protect all types of floor
- Available in five sizes: 1/2", 5/8", 3/4", 7/8", 1"
- Great for folding chairs and tables
- Easy to install, stays put without adhesive

CasterTire™ Floor Savers®

- Fits over existing hard plastic caster wheels
- Prevents floor damage and reduces maintenance costs
- Casters roll smoothly and quietly
- One size fits 1-1/4" - 2-1/4" plastic casters

Slip-Over® Floor Savers®

- Easier to install with our new tool, free with the purchase of 100 or 1000 piece units
- Protect floor surfaces from scratches and rust stains
- Help keep rooms quiet by reducing noise when moving chairs and tables
- Reduce furniture damage by alleviating stress on joints

Gripper® Doorstops "The Door Stops Here"™

- Non-slip bottom now molded as part of the unit to increase durability and gripping power
- Durable commercial design
- Holds door in any position
- Non-slip bottom protects and grips any floor
- Convenient flexible hook allows for easy transport and storage

NEW Improved Wrap-Around™ Floor Savers®

- Easy to apply
- Attaches to itself for longer lasting, improved hold
- Conforms to glide or rail to achieve a perfect fit
- NEW vinyl wear cushion distributes weight, causing less wear to pad and floor
- Apply over existing glide or around rail
- Perfect for stackable chairs

NEW Safety Release™ Flip Down Doorstops

- Clips onto the door, no tools needed
- Eliminates trip hazards
- Releases with force in case of emergency
- Flip down to engage, flip up to tuck out of the way

Formed Felt™ Floor Savers®

- Fit securely around chair and table legs to ensure they stay put
- Peel back and apply to clean, dry surface
- Formed sides provide increased durability

Made in the USA

*Apply the Primary Spotter per label directions. Repeat the spotting procedure as long as there is improvement. If necessary, apply the Secondary Spotter(s). Blot and rinse after applying each product.

*Aplique el removedor primario del punto por direcciones de la etiqueta. Repita tan de largo como hay mejora. En caso de necesidad, aplique los removedores secundarios del punto. Aclaración después de aplicar cada producto.

Carpet Care Systems & Equipment

Carpet Extraction Cleaner

Simplex® Double Play Multi Use Extraction Cleaner

An environmentally responsible, anti-soil, multi-purpose carpet cleaner concentrate for use as a pre-spray and extraction cleaner. Low foaming. Contains no VOCs, completely biodegradable. Pleasant fresh odor. EarthMate. EcoLogo®. This Carpet & Rug Institute tested and certified cleaner effectively removes soil without any damage to the carpet. The CRI Seal of Approval is awarded to carpet cleaning products that pass stringent tests administered by an independent, accredited institute.

CBM634

Gal.

4/cs

Simplex® Refresh Rinse & Neutralizer

A specially formulated product with Advanced Gemini Surfactant Technology, used to rinse the carpet after extraction cleaning, shampooing, or bonnet buffing. EarthMate. EcoLogo®. This necessary step will remove any residue remaining in the carpet fibers and will further rinse on the acid side to prevent the carpet from oxidizing (turning brown), leaving a pleasant scent. Excellent for coffee, tea, and light rust stains. Safe on all carpet fibers including wool. Does not contain any optical brighteners. The new Gemini Surfactant technology delivers a product that neutralizes harsh alkali residues from previous cleanings, removes detergent residues from the fibers and gives the dry carpet a fresh clean feel.

CBM631

Gal.

4/cs

Simplex® Aqua Fresh Extraction Cleaner

Powerful deep cleaning extraction type cleaner for heavily soiled carpets and fabrics. This is a highly concentrated formulation for all color fast fabrics.

CBB5863

Gal.

4/cs

Diversey Extraction Rinse

Flushes out and removes detergent residues that cause resoiling. Safe on all types of carpets, including wool. Colorless with a fruity floral scent.

BB8012

Gal.

4/cs

Enzyme Bacteria Products

Simplex® Odor Eater II Enzyme Odor Control

Bacterial cultures naturally remove all odors at the source.

4/cs

Envirox® Carpet Cleaner Concentrate

A complete carpet cleaning system in one, easy to use product. Removes browning, is a shampoo, spotter, traffic lane cleaner, deodorizer and neutralizer in one. Safe to use in a spin bonnet machine or an extractor. Encapsulating polymer. Biodegradable. Combines the amazing cleaning and deodorizing power of H2Orange2 technology with the re-soil fighting capabilities of an encapsulating polymer. The result is a process that leaves your carpet cleaner than you have ever seen it, then fights re-soiling by encapsulating residual cleaning agents and soils in a hard, brittle polymer that cannot be felt or seen. The encapsulated soils and polymer are removed with the next vacuuming of the carpet.

CBNW024

Gal.

4/cs

Diversey Heavy Duty Prespray

pH neutral cleaner for prespraying to loosen heavily soiled carpets. Contains soil repellent material to help reduce resoiling on carpet. Safe to use on all carpets including wool. Fruity fresh scent.

BB8044

Gal.

4/cs

Carpet Shampoo & Cleaners - Rotary

Diversey Carpet Shampoo / Rotary

High foam carpet shampoo. Powerful detergents and solvents strip soils from carpet fiber and the high foam carries soils to carpet surface for easy removal. Suitable for rotary shampooing and power cleaning. Also suitable for dry foam cleaning. Pleasant fruity floral scent. 4 per case.

BB8014

Gal.

4/cs

Carpet Defoamer

Simplex® Foam-Free Defoamer

A very effective agent for killing foam in recovery systems of carpet steam cleaners, automatic floor scrubbers, sinks, and wet/dry vacs. Highly concentrated, effective in small quantity additions. Suitable for use in all makes of equipment.

Liquid Disinfectants / Sanitizers

CBM597

Simplex® Cool Breeze TB Detergent & Disinfectant

Designed specifically as a general non-acid cleaner and disinfectant for use in homes, hospitals, nursing homes, schools and hotels. For plastic and painted surfaces. Spot test on an inconspicuous area before use. Formulated to disinfect hard, non-porous, inanimate environmental surfaces such as floors, walls, metal surfaces, stainless steel surfaces, porcelain, glazed ceramic tile, plastic surfaces, bathrooms, shower stalls, bathtubs, and cabinets. May be used in the kitchen on counters, sinks, appliances, and stovetops. A rinse with potable water is required for surfaces in direct contact with food. In addition, this product deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, basements, restrooms and other areas which are prone to odors caused by microorganisms.

32 oz.

MiX / Squeeze
MATE / 'N' POUR

**CONCENTRATED DILUTION
& DISPENSING SYSTEMS**

FAC 85 STATE APPROVED VENDOR:

Closed loop systems with sealed containers that include proper dilution tip for safety, precision, and the environment.

EarthMate Squeeze 'N' Pour System

Exact Measuring Without Mechanical Dispensing Systems

Squeeze 'N' Pour **1** **GLASS-MATE** Glass & Surface Cleaner

An ultra concentrated, ammonia-free, non-streaking, non-smearing, quick drying product that cleans and shines glass, mirrors, sinks, countertops, stainless steel, and other washable surfaces. Can also be used as a light-duty cleaner on all surfaces not harmed by water.

Squeeze 'N' Pour **3** **NEUTRAQUAT** Neutral Disinfectant & Detergent

A multi-purpose, neutral pH, germicidal detergent and deodorant effective in hard water up to 400 ppm (calculated as CaCO₃) in the presence of a moderate amount of soil (5% organic serum) according to the AOAC Use-dilution Test. Disinfects, cleans and deodorizes in one labor-saving step.

Squeeze 'N' Pour **4** **FLOOR-MATE** Neutral Floor & All Surface Cleaner

A non-toxic, non-VOC, biodegradable, and concentrated floor cleaner that is specially designed for everyday floor cleaning. It removes routine soils from all types of floors. Excellent for use in mop and bucket cleaning or automatic floor scrubbers. Neutral pH will not harm floor finishes. No rinsing required. May also be used as a light duty spray and wipe cleaner for multiple surfaces not harmed by water.

Squeeze 'N' Pour **5** **SANI-MATE** Restroom Cleaner

A concentrated, organic acid fortified, heavy-duty multi-purpose bathroom cleaner that is specially designed to address the environmental, safety and health concerns facing today's housekeeping professional. Readily biodegradable, this product will not accumulate in the environment and will not contribute to waste treatment plant sludge. Cleans away soap scum, mold & mildew stains, hard water deposits, rust stains, body oils, fats and dirt. Can be used to clean most surfaces such as windows, walls, floors, washroom fixtures, tubs, showers, toilet bowls and urinals. Especially effective on removing difficult stains from ceramic tile floors and grouting.

Squeeze 'N' Pour **6** **POWER-MATE** Heavy Duty Degreaser

Formulated using MicroEmulsion 3G Technology Power-Mate is a non-toxic, non-VOC, biodegradable, microemulsion, highly concentrated cleaner/degreaser that is specially designed to address the environmental, safety and health concerns facing today's housekeeping professional. The formulated blend of ingredients combine to lift and emulsify soils, fats, oils and greases without the use of solvents. Can be used to clean most hard surfaces such as walls, tile & grout, food processing and service areas.

Squeeze 'N' Pour **7** **FRESH-MATE** Deodorizer-Air Freshener

A concentrated water-soluble deodorizer that does not just mask odors but destroys them. A broad-spectrum malodor counteractant eliminates even the toughest odors. Chemically neutralizes the source of the odors caused by smoke, urine, vomit, pet, etc.

Squeeze 'N' Pour **9** **BIO-MATE** Enzyme Floor Cleaner

This product is a high performance, bacterial-enriched floor cleaner, odor eliminator, and grease digester with a very pleasant potpourri scent. No rinse is required. The unique chemistry provides bleaching action that brightens surfaces as it cleans and leaves surfaces sparkling clean with a pleasant scent. It is ideal for cleaning concrete, ceramic tile, quarry tile, grout, brick and rubber mats with floor machine or mopping. Inherent biological action continues to clean between regularly scheduled cleanings to help keep grease accumulations to minimum.

Squeeze 'N' Pour **11** **SCRUB-MATE** Scrub and Recoat Cleaner

This Scrub and Recoat Cleaner is a biodegradable, very low toxicity and VOCs, environmentally responsible floor cleaner specifically designed for the interim maintenance procedure of scrubbing and recoating without the use of harmful chemicals. This is the ideal product for any type of floor maintenance program to help extend the time between restorative stripping procedures, saving time and labor. When used as directed, this Scrub and Recoat Cleaner aggressively removes embedded soils and scuffs in the top layers of floor finish, and prepares the surface for re-coating with minimal rinsing required. This low foam formula leaves a clean, film free surface, making it ideal for use in an auto scrubber. Scrub and Recoat Cleaner can also be used to remove the factory seal from newly installed VCT flooring and is compatible with any green or traditional floor care program.

Simplex Earthmate Mix Mate

Simplex® Mix-Mate Quad Dispenser With Back Flow Prevention

The Mix-Mate Quad Dispenser delivers an easy to use dilution control system. The features of this unit are many and so are the user benefits. These pre-plumbed units do not require installers to connect a mess of water lines to different chemical compartments. Simply hang this unit with the included mounting template, connect your main water supply and you are on your way! The single key locking cabinet houses four chemicals which can be selected by turning a dial, and switching from large container filling to a quart bottle is as easy as the touch of a button.

CBMP900

ea

Simplex® Mix-Mate Single Unit

With a space efficient design, the Mix Mate Single Unit is a single button chemical dispenser. This pre-plumbed dispenser includes a mounting template for easy hanging and the ability to connect multiple units together. The stainless steel hanging bracket not only provides stability for hanging the dispenser, but also for holding the selected chemicals. Upon opening, the unit can be set for quart bottle filling or large container filling.

CBMP905

ea

Simplex® Mix-Mate Portable Foaming Unit

Flexibility is the key factor of the Mix Mate portable dispenser. Out of the box, this dispenser is ready to start filling quart bottles or large containers. After attaching the chemical and a water supply line, the one-handed operation of this unit helps make dispensing easy. A foaming accessory kit is available with this dispenser as well when chemical dwell times need to be extended on vertical surfaces.

CBMP910

ea

Simplex® Mix-Mate #1 Glass-Mate Glass & Surface Cleaner

An ultra concentrated, ammonia-free, non-streaking, non-smearing, quick drying product that cleans and shines glass, mirrors, sinks, countertops, stainless steel, and other washable surfaces.

CBMP001

2/cs

Simplex® Mix-Mate #2 Surface-Mate General Purpose Cleaner

A low toxicity, low VOC, readily biodegradable, concentrated floor cleaner that is specially designed for everyday floor cleaning. EarthMate. Neutral pH will not harm floor finishes. No rinsing required. EcoLogo™ certified.

CBMP002

2/cs

Simplex® Mix-Mate #3 Neutraquat Neutral Disinfectant & Detergent

This dual quat formulation is an effective bactericide, fungicide, and virucide in the presence of 5% blood serum. For use on hard, non-porous inanimate surfaces in: Hospitals, medical and dental offices and clinics, healthcare facilities, nursing homes, supermarkets, convenience stores, retail and wholesale establishments, institutional facilities, business and office buildings, hotels and motels; schools, colleges, and churches.

CBMP003

2/cs

Simplex® Mix-Mate #4 Floor-Mate Neutral Floor & All Surface Cleaner

Neutral floor and all surface cleaner. Excellent for use in mop and bucket cleaning or automatic floor scrubbers. May also be used as a light duty spray and wipe cleaner for multiple surfaces not harmed by water.

CBMP004

2/cs

Simplex® Mix-Mate #5 Sani-Mate Restroom Cleaner

Specially designed to address the environmental, safety and health concerns facing today's housekeeping professional. Readily biodegradable, this product will not accumulate in the environment and will not contribute to waste treatment plant sludge. Cleans away soap scum, mold and mildew stains, hard water deposits, rust stains, body oils, fats and dirt. Can be used to clean most surfaces such as windows, walls, floors, washroom fixtures, tubs, showers, toilet bowls and urinals.

CBMP005

2/cs

Chemical Dispensing Systems and Chemicals

CBMP006

Simplex® Mix-Mate #6 Power-Mate Heavy Duty Degreaser

Formulated using MicroEmulsion 3G Technology Power0Mate is a non-toxic, non-VOC, biodegradable, microemulsion, highly concentrated cleaner/degreaser.

2/cs

CBMP007

Simplex® Mix-Mate #7 Fresh-Mate Deodorizer Air Freshener

A concentrated water-soluble deodorizer that does not just mask odors but destroys them. A broad-spectrum malodor counteractant. EarthMate. Eliminates even the toughest odors. Will produce 45.5 gallons of ready-to-use product. Chemically neutralizes the source of the odors caused by smoke, urine, vomit, pets, etc. Ideal for use in institutions, hospitals, sanitariums, factories, kitchens, restrooms, schools, hotels, latrines, septic systems, recreational vehicles or anywhere malodors are a problem.

2/cs

CBMP008

Simplex® Mix-Mate #8 Gloss-Mate Cleaner Restorer

An all-purpose neutral cleaner/maintainer with superior cleaning power for use on any surface not affected by water. Cleans, polishes, and preserves. Ideal for use with buffing programs. May not be used for damp mopping, auto scrubbing or heavy duty cleaning

2/cs

CBMP009

Simplex® Mix-Mate #9 Bio-Mate Enzyme Floor Cleaner

This product is a high performance, bacterial-enriched floor cleaner, odor eliminator, and grease digester with a pleasant potpourri scent. EarthMate. For cleaning carpets, use pre-spray or bonnet buff method. No rinse is required for light duty application. Do not use on food contact surfaces. 2 per case. Ideal for cleaning and deodorizing grout, ceramic tile, quarry tile, concrete, brick, and rubber mats with floor machine or mopping.

2/cs

CBMP010

Simplex® Mix-Mate #10 Neutraquat 256 Neutral Disinfectant Cleaner

A super concentrated hospital grade disinfectant-detergent which cleans, disinfects, and deodorizes in one step. Requires no rinsing. Effective against HIV-Type 1 (AIDS virus). Its neutral pH cleans without damage to floor finishes. Will produce 128.5 gallons of ready-to-use product. 2/cs. Neutral disinfectant cleaner and virucide.

2/cs

CBMP011

Simplex® Mix-Mate #11 Scrub-Mate Scrub & Recoat Cleaner

This is the ideal product to help extend the time between restorative stripping procedures, saving time and labor. A biodegradable, very low toxicity and VOCs, environmentally responsible floor cleaner specifically designed for the interim maintenance procedure of scrubbing and recoating. This Scrub and Recoat Cleaner aggressively removes embedded soils and scuffs in the top layers of floor finish, and prepares the surface for re-coating with minimal rinsing required.

2/cs

CBMP012

Simplex® Mix-Mate #12 Oxi-Mate Peroxide Cleaner & Degreaser

The hydrogen peroxide oxidizes the soil and stains, destroys odors and provides color safe bleaching action. No rinse required. A non-toxic, non-VOC, biodegradable, hydrogen peroxide fortified, highly concentrated all-purpose cleaner that is specially designed to address the environmental, safety and health concerns facing today's housekeeping professional. Can be used to clean most surfaces such as windows, walls, floors, tile and grout, washroom fixtures, tubs, showers, toilets, toilet bowls and urinals.

2/cs

Simplex® Mix-Mate #13 Oxy-Mate Plus Peroxide Disinfectant

Cleans, disinfects, and deodorizes in one step. Ultra concentrated. Delivers fast effective cleaning performance. Hospital grade disinfectant. Contains Hydrogen Peroxide. This product can be used to disinfect the following areas: Bathrooms, kitchens, day care centers, nurseries, athletic facilities, office buildings. Use in dental offices, health care facilities, hospitals, medical offices.

CBMP013

2.5 Qt.

2/cs

Simplex Squeeze 'N' Pour

Simplex® Squeeze 'N' Pour #1 Glass-Mate Glass & Surface Cleaner

This glass and surface cleaner is an ultra concentrated, ammonia-free, non-smearing, quick drying product. EcoLogo™ certified. EarthMate Squeeze 'N' Pour System. Exact measuring without mechanical dispensing systems. Cleans and shines glass, mirrors, sinks, countertops, stainless steel, and other washable surfaces. Can also be used as a light-duty cleaner on all surfaces not harmed by water.

CBMTPO202

32 oz.

6/cs

Simplex® Squeeze 'N' Pour #3 Neutraquat Neutral Disinfectant & Detergent

A multi-purpose, neutral pH, germicidal detergent and deodorant. Disinfects, cleans and deodorizes in one labor-saving step. EarthMate Squeeze 'N' Pour System. Exact measuring without mechanical dispensing systems. Effective in hard water up to 400 ppm (calculated as CaCO₃) in the presence of a moderate amount of soil (5% organic serum) according to the AOAC use-dilution test.

CBMTPO502

32 oz.

6/cs

Simplex® Squeeze 'N' Pour #4 Floor-Mate Neutral Floor & All Surface Cleaner

A non-toxic, non-VOC, biodegradable, and concentrated floor cleaner that is specially designed for everyday floor cleaning. EcoLogo™ certified. It removes routine soils from all types of floors. Neutral pH will not harm floor finishes. EarthMate Squeeze 'N' Pour System. Exact measuring without mechanical dispensing systems. Excellent for use in mop and bucket cleaning or automatic floor scrubbers. No rinsing required. May also be used as a light duty spray and wipe cleaner for multiple surfaces not harmed by water.

CBMTPO702

6/cs

Simplex® Squeeze 'N' Pour #9 Bio-Mate Enzyme Floor Cleaner

This product is a high performance, bacterial-enriched floor cleaner, odor eliminator, and grease digester with a very pleasant potpourri scent. No rinse is required. EcoLogo™ certified. EarthMate Squeeze 'N' Pour System. Exact measuring without mechanical dispensing systems. The unique chemistry provides bleaching action that brightens surfaces as it cleans and leaves surfaces sparkling clean with a pleasant scent. It is ideal for cleaning concrete, ceramic tile, quarry tile, grout, brick and rubber mats with floor machine or mopping. Inherent biological action continues to clean between regularly scheduled cleanings to help keep grease accumulations to minimum.

CBMTP009

32 oz.

6/cs

Simplex® Squeeze 'N' Pour #11 Scrub-Mate Scrub & Recoat Cleaner

This Scrub and Recoat Cleaner is a biodegradable, very low toxicity and VOCs, environmentally responsible floor cleaner. EcoLogo™ certified. EarthMate Squeeze 'N' Pour System. Exact measuring without mechanical dispensing systems. Specifically designed for the interim maintenance procedure of scrubbing and recoating without the use of harmful chemicals. This is the ideal product for any type of floor maintenance program to help extend the time between restorative stripping procedures, saving time and labor. When used as directed, this Scrub and Recoat Cleaner aggressively removes embedded soils and scuffs in the top layers of floor finish, and prepares the surface for re-coating with minimal rinsing required. This low foam formula leaves a clean, film free surface, making it ideal for use in an auto scrubber. Can also be used to remove the factory seal from newly installed VCT flooring and is compatible with any green or traditional floor care program.

Barricade Hygiene Screens

Uric acid is a leading cause of restroom odors and unsanitary conditions. Impact's Barricade Hygiene Screen helps eliminate the leading cause of odor by preventing 99 percent of urine splash-back from urinals. By limiting urine splash, the screen keeps uric acid from damaging partitions, floors, and fixtures. It also helps keep your customers' clothes and shoes clean, which helps prevent the spread of the odor-causing bacteria. The easy-to-clean, patent-pending design reduces labor costs by minimizing the damaging effects of uric acid and the odors it causes, leaving your restrooms fresh and clean. Lasts up to 6,000 flushes (approx. 3 months).

Cleaning Chemicals & Janitorial Supplies

Window Cleaning Equipment

IPC Eagle HydroClean™ Cleano 1' Window Cleaning System

For cleaning and sanitizing walls, fixtures, mirrors and doors. Environmentally friendly, no chemicals. Economical, eliminates chemical costs. Indoor Ultra Pure Water Cleaning System is for indoor glass and non-porous surfaces. Reaches difficult areas without dripping on or having to move furniture. It combines the cleaning power of pure water and microfiber in a light, compact and entirely mechanical tool (no cords, no batteries, etc). Keeps glass clean longer. With no chemical residue being left behind on the glass dirt will not be attracted, reducing the frequency of cleaning intervals. Fill with pure water from HydroTube™, Hydro Cart or Ready Pure systems.

Misc. Dusters

20" Lambs' Wool Duster

100% lambswool. Ideal for cleaning ceiling fans and other hard-to-reach areas. Will not streak or scratch, washable. Attracts dust like a magnet. White handle w/mixed color head.

JS001

ea

Lambs' Wool Dust Wand Extension Dusters Extends to 44"

The easiest way to reach high places. The Flex models will bend over backwards to get over and around the most difficult to reach surfaces. A gentle static charge, a web of tiny fibers, and soft natural oils combine to create the perfect dust control 'system'. 12" dusting pom.

JS013

Extends to 44"

ea

Texas Feathers Electrostatic Duster Extends to 82"

Brightly colored synthetic duster attracts dust with an electrostatic action. Flexible head allows for dusting irregular surfaces. Polywool on an extension handle. Heavier fill for added dusting capability.

JSL011

Extends 51" to 82"

ea

P&G Swiffer® Disposable Duster™ Refill

Great for both small places and large areas. Soft, fluffy dusters with fibers that grab dirt and lock it away.

CBL246

10 ct.

6/cs

P&G Swiffer® Duster w/Extendable Handle

Great for both small places and large areas. Flexible plastic handle for added reach. Soft, fluffy dusters with fibers that grab dirt and lock it away. 6/3 ct.

CBL245

6/3/cs

P&G Swiffer® Duster™ Extendable Handle w/3 Dusters

Extends three feet for added reach. Pivoting head can be adjusted and locked into place for cleaning angled surfaces like ceiling fans, corners and baseboards.

CBL248

12/cs

P&G Swiffer® Regular Sweeper Implement Only

Gets into the tough spots easily, avoiding bending or ladder use. 10" Wide.

CBL243

3/cs

JSW60	ea
-------	----

Velcro Mop (Hook Mop) System

Microfiber Hook & Loop Velcro Mop Pads

Has all the benefits of microfiber without having to replace standard frames and handles. Cut-end microfiber with fringe top picks up larger particles of dust and trash. Poly-canvas backed microfiber mops attract and hold dust that cotton mops leave behind. The mop attracts dust electrostatically and requires no treatment. Extra padding in the mop allows for complete surface contact. Canvas backing is color coded by size. Velcro backing, for use with microfiber bases.

NaceCare™ NSP200 NuSave Vacuum

The market leader in "green" vacuums without any performance compromises. Autosave feature automatically starts the vacuum on low power. Vacuum motor: 2 stage, 2 speed, 800W; Waterlift: 90". Airflow: 81 CFM; Power cord length: 33'. Standard filter: Tritex + Hepaflo. Excellent .3 micron filtration @ 96% efficiency for improved indoor air quality. Polyethylene tank construction. Polypropylene head construction. NuSave machines consume 1/3 of the power of other vacuums on the market. Thermal overload for long term motor protection.

NaceCare™ RBV130 Battery Back Pack Vac

A 1.5 gallon tank provides the capacity required to do the job. Compact, comfortable and light enough for anyone to use. Vac motor: 250 watt; Run time: 45 minutes. Charge time: 2.5 hours; Waterlift: 45"; Airflow: 50 CFM. Filtration 99.97% efficiency @ 0.3 micron; Weight: 16 lbs. The 250 watt vacuum motor with run time of 45 minutes ensures there is plenty of power and operational capacity. The 36 volt lithium ion battery can be interchanged with our canister units and charges in 2.5 hours. Its patented ribs on the inside of the tank ensure no matter how full the bag is we don't lose suction since the bag is never allowed to seal against the side of the tank cutting off the flow of air. This is critical on battery powered equipment since we don't have the luxury of high powered electric vacuum motors to pull the dirt through the bag. Kit includes 5' Nuflex hose, s/s telescopic wand, and 12" All Brush Tool with wheels.

Eliminate FOG Facilitate Digestion Improve Efficiency

Protein Matrix products prevent fat, oil, and grease (FOG) buildup in pipes, lift stations, and grease traps and control odors through the prevention of hydrogen sulfide-producing scums. Our formulations, which contain no bacteria or enzymes, react with FOG molecules to produce a flowable non-foaming byproduct that will not re-solidify and is also easily digestible by WWTP microorganisms, which leads to higher digestive efficiency and less distortion and fluctuation in bacterial populations.

Application of Protein Matrix provides the following benefits:

- elimination of FOG-related maintenance
- odor control
- reduced foaming
- improved settling
- improved oxygen transfer
- cleaner effluent
- FOG-free filters
- increased efficiency
- reduced hydrogen sulfide

Unlike bacterial or enzyme-based products, which can lead to re-accumulation of fat in difficult-to-access areas when the temperature, salinity, or pH changes, Protein Matrix is condition-independent.

How It Works

Due to their molecular properties, fats, oils, and grease are chemically-driven to stick together and accumulate within pipes, traps, interceptors and lift stations. This leads to clogs, sanitary sewer overflows, and labor-intensive repetitive maintenance and nuisance and emergency calls – often in the freezing cold or dead of night.

By preventing FOG buildup, Protein Matrix can reduce routine maintenance and eliminate emergency calls due to FOG clogs. The protein in our product disrupts the chemical force – preventing accumulation of grease balls – and reacts with individual FOG molecules to create a non-foaming liquid byproduct that will not re-solidify, will not harm collection systems or plant treatment processes, and is easily and efficiently digested by WWTP biology.

Protein Matrix and You

Protein Matrix is certified under NSF/ANSI 60 as safe to use in wastewater and potable water systems. It is derived from agricultural products, and is safe in many ways:

- water-based
- biodegradable
- non-toxic
- non-flammable
- non-carcinogenic
- solvent-free
- easy to use
- green

Protein Matrix products are not only green and safe, but also more powerful than the toxic chemicals currently on the market. Our plant-based materials and methods of formulation are the most advanced in the industry and will change the way you think about grease in your system – because you'll never have to think about it again!

We welcome conversations with forward-thinking plant operators who want to hear about the success we've had with some of their peers.

There has been no accumulation of oil and grease in the wet well. Our Wastewater Operations Superintendent is thrilled.

Mark Bubel
Senior Project Manager
Aqua America

Using Protein Matrix can reduce the cost of grease mitigation and reduce the risk of clogs and overflows in your restaurant interceptor.

Charles Ehlers
Ehlers Group
(Major fast food brand franchisee)

Nearly 6 months since we began feeding PM into the lift station, no changes have been observed in the parameters used to monitor plant performance.

Mike Murphy
Plant Operator III/Chemist
Incline Village (NV) WWTP

FOR ONLINE DEMO www.proteinmatrix.com

Protein Matrix Benefits

Effective

Eliminates fat, oil, and grease buildup

Keeps pipes and lift stations clean
Prevents sanitary sewer overflows Saves time, money, and effort

Converts solid fat to liquid by product

Grease will not resolidify No clogs downstream

Controls odors

Decreases hydrogen sulfide Prevents odors from FOG mats

No bacteria or enzymes

Works in the real world
Will not fail if pH/salinity changes

Efficient

Reduce cleanouts and maintenance

Fewer emergency calls
Fewer nuisance calls
Less time in confined spaces

Use grease byproduct as carbon source

Easily digested by sludge bacteria
Improves digestion efficiency Reduces need for methanol

Safe

Plant-based

Non-toxic
Non-carcinogenic
Biodegradable

Water-based

Non-flammable
Non-volatile
Solvent-free

NSF 60 certified

No disruption of plant processes

The scientific breakthrough and natural solution to transform FOG problems

Air Purifiers

IT1500 Model Air Purifier (1500 sq. feet)

Designed to improve indoor air quality by dealing with pollutants in a proactive way. Ball bearing brushless ultra-quiet motor with 3 fan speeds. Full function remote control. 100V-240V/50-60 Hz 30W operational. Electrical UL, CE, PSE, TUV, EK and RoHS compliant. Produces aggressive ionized oxidizers that are then distributed throughout your facility. This PCO (Photo-catalytic Oxidation) technology, using an enhanced ionization output, represents the newest generation of proactive air purification, is completely safe, unlike high levels of ozone, and effectively destroys mold, mildew, bacteria, viruses, odors, volatile organic compounds (VOCs) and the odors associated with them in the air and on surfaces.

MSA110

1500

ea

IT4000 Model Air Purifier (4000 sq. feet)

Designed to improve indoor air quality by dealing with pollutants in a proactive way. Five fan speed with variable frequency drive for quiet operation. 100V-240V/50-60 Hz 45W operational. Ion generation: 1 million/cm³. Coverage under normal contaminated conditions 4000 sq ft. This air and surface purifier combines four different technologies to synergistically reduce contaminants in the air and on surfaces. Uses an enhanced ionization output which represents the newest generation of proactive air and surface purification. It is completely safe in all inhabited areas and effectively destroys mold, mildew, bacteria, viruses, odors and volatile organic compounds (VOCs) in the air and on surfaces.

Backing: High Density Rubber
Recommended Installation:
Loose Lay: Use Standard Sew-On Nosing
Glue Down: Use Multi-Bond Adhesive

Features

- Outstanding walk-off performance for heavy, multi-directional traffic applications
- Provides aggressive soil removal
- Stain resistant, color fast, and permanently anti-static
- Easily maintained by vacuuming and periodic extraction

Common Uses: Entryways and vestibules

Great for Logos!

Decorib

Decorib Specs

Material: 100% Solution-Dyed UV Stabilized Polypropylene Fibers
Total Weight: 78 oz.
Overall Thickness: 3/8"
Backing: High Density Rubber
Recommended Installation:
Loose Lay: Use Standard Sew-On Nosing
Glue Down: Use Multi-Bond Adhesive

Features

- Deep rib design scrapes soil from all types of footwear
- Needle-punch construction resists crushing
- Traps large volumes of soil to prevent tracking
- Outstanding performance and value

Common Uses: Entryways and vestibules

Olefin

Olefin Specs

Material: 100% Continuous Filament Olefin Tufted Yarn
Face Weight: 18 oz. (Deluxe), 14 oz. (Standard)
Overall Thickness: 3/8"
Backing: Non-Staining Vinyl

Features

- Quality Olefin yarns are expertly tufted at our factory
- Absorbs over one gallon of water per square yard
- Dries much faster than nylon fibered mats
- Our most economical mat

Common Uses: Loose lay in medium traffic entrances, vestibules, lobbies, hallways

Chevron

Chevron Specs

Material: 100% Solution-Dyed UV Stabilized Polypropylene Fibers
Face Weight: 24 oz.
Overall Thickness: 3/8"
Backing: Non-Staining Vinyl

Features

- Elegant herringbone pattern
- High-low weave design provides aggressive soil removal
- Excellent water retention capacity
- Ideal for indoor or outdoor applications

Common Uses: Loose lay in medium, multi-directional traffic entrances, vestibules, lobbies, hallways, elevators

Ice Melt & Winter Products

Ice Melter

**Simplex® Break Thru Ice & Snow Melter**

Blue colored for added visibility. Our most popular yet economical ice and snow melter. Melts to 25 below zero. Safe on most surfaces when used as directed. A little goes a long way. Leaves no white powdery residue. Works faster and longer. Prevents re-freezing. Nonflammable, non-toxic and biodegradable. USDA approved and EPA registered.

CAB100

ea

**Simplex® Enviro Melt Premium Ice & Snow Melter**

This custom white blend melts to 40 below zero. Contains additives to prevent refreezing. Starts working upon contact with ice and snow. Will not harm carpets, tile, rubber and stone floors. Non-corrosive and safe to metal surfaces and railings. Each pellet melts 47 times its own weight.

CAB038

50# Box

ea

**Simplex® Enviro Melt Premium Ice & Snow Melter**

White. This custom blend melts to 40 below zero. Contains additives to prevent refreezing. Starts working upon contact with ice and snow. Will not harm carpets, tile, rubber and stone floors. Non-corrosive and safe to metal surfaces and railings. Each pellet melts 47 times its own weight.

CAB039

50# Pail

ea

**Mountain Organic Natural Ice Melt™**

Effective to -9 degrees F. Concentrated power begins to work immediately. Safe on concrete, vegetation and safe to handle. Clean to use, does not leave an oily residue. Safe for prolonged storage will not lose its effectiveness during prolonged storage or when opened.

CAB048

ea

**Peladow® Ice Melt**

Unlike rock salt & potassium chloride, Peladow® calcium chloride readily attracts moisture from the atmosphere, allowing it to form a liquid brine very quickly and fan out beneath the ice, breaking its bond with the pavement. Other deicers lose their effectiveness quickly when they become diluted with water, but even when diluted to 20% concentration, Peladow® keeps working down to -4 degrees F. Penetrates & undercuts ice fast & keeps on working all the way down to -25 degrees F - long after other deicers have given up. Easier on concrete & vegetation. Doesn't leave powdery residue.

CBD050P

50 lb. Pail

ea

CBD050B

50 lb. Plastic Bag

ea

**Safe Step® Pro Series® 550 Select Ice Melt**

A high-quality blend that works as hard as you do. Scientifically formulated for maximum melting power. Utilizes an exclusive blending process, not just a simple blend. Melts ice down to 0° F. A quality and consistent melt for long walkways or large surfaces. Safer to handle; won't harm skin or pets' paws. Won't harden or clump; provides unlimited shelf life.

CBC056

45 lb. Pail

Safe Step® Pro Series® 750 Ice Melter

Magnesium Chloride ice melter. U.S. EPA Design for the Environment certification. Powerful even at extreme temperatures, yet gentle on the environment. Melts ice down to -25°F. Dissolves quickly for fast melting action. Safer to handle; won't harm skin or pets' paws. Environmentally friendly with 1/3 less chlorides; safe on vegetation. Unique crystal shape provides rapid ice penetration and scatter control. Safer on concrete and metal.

CBC059

50 lb. Bag

ea

Safe Step® Pro Series® 960 Choice Formula Ice Melter

U.S. EPA Design for the Environment certification. Patented formulation for maximum ice melting power. Melts ice down to -10° F. Contains MG 104®, which helps prevent refreezing up to 2 1/2 times longer than conventional ice melters. Safer on plants, concrete, pets, shoes and carpet. Safer to handle; won't harm skin or pets' paws.

ea

JSRU154

100 lb Capacity

ea

Heavy Duty Spreader

Coverage up to 25,000 sq ft with 10 to 12 ft spread width and 125 lb load. Setting for different materials. 14" x 4" pneumatic tires. On/off steel control rod features flow rate control. Rustproof poly hopper and spreader plate. Includes vinyl deflector kit and vinyl cover for hopper.

JSRU151

125 lb Capacity

ea

Shovels & Scrapers

True Temper® 7" Scraper & Ice Chopper

Use to scrape ice from sidewalks, driveways & other floor surfaces. Use prior to shoveling to help preserve your snow shovel blade. 53" length, 7" x 5" blade. Use to remove roofing, siding or to chop roots or debris. Welded Shank & 48" North American ash handle. 5 year warranty.

JST107

ea

True Temper® Square Point Shovel Heavy Duty Metal

Classic square point shovel for moving loose garden material, sand, top soil or debris. Use to shape beds, mix concrete, or level areas that need to be flat. 44" sturdy, stained North American ash handle. High carbon tempered steel blade. Cushion grip for comfort. Made in USA. 10 year warranty.

JSCA6420

ea

True Temper® 18" Combo Shovel

High quality, durable shovel ideal for both shoveling and pushing snow. Lightweight blade and steel wear strip extends the life of the blade. Helps remove stubborn patches of snow & ice. Made with high-density poly to withstand cold temperature. 49.5" length. 18" blade.

JST105

ea

Ice Melt & Winter Products

True Temper® 24" Snow Pusher Poly

This pusher is ideal for clearing light to medium accumulations of snow. Clear driveways & walkways in just a few passes. Durable steel core handle & strong poly D-grip. Steel wear strip for extended blade life. 55" length. 24" blade.

JSIC1603

ea

True Temper® 18" Snow Shovel Poly

This lightweight & sturdy snow shovel is ideal for clearing light to medium accumulations of snow. Features a durable steel core handle. Poly blade will not scratch deck, patio or other surfaces. 49" length. 18" blade.

JST100

ea

True Temper® 18" Ergonomic Combo Poly Shovel

This top of the line combo shovel is ideal for shoveling or pushing snow, thanks to its 18" combination blade. Ergonomic handle for easier shoveling. Oversized grip for gloved hand. Made in USA. 18" W x 54" H. The nylon wear strip extends the life of the blade and prevents the gouging of decks and other surfaces.

JST102

ea

True Temper® Snow Roof Rake

Helps prevent structural & water damage to your home or business that can result from heavy snow left on roof. Temperature resistant plastics. Strong & durable aluminum handle extends to 17'. Made up of 5' extensions attached by spring pin mechanism. 22" poly blade. Extra extensions available.

THE SIMPLEX DIFFERENCE

SIMPLEX JANITORIAL STANDS FOR SOLUTIONS

For more than 40 years, the Simplex Janitorial success story has been written to satisfy every need of every customer. Our policy is simple...our job is your satisfaction.

You get what you need when you need it.

You get outstanding janitorial products, great prices, professional training and on-time delivery, same day if needed. At Simplex Janitorial, it's simply about the customer.

SIMPLEX JANITORIAL STANDS FOR SERVICE

Our Customer Support Team is dedicated to building strong, long-term customer relationships. You'll benefit from expertise that covers every aspect of the cleaning industry.

Our Customer Support Team is available 24/7 to meet any need or answer any questions.

WHAT'S BEHIND THE SIMPLEX JANITORIAL NAME

- Best janitorial products in the cleaning industry
- Cost-saving, high-quality Simplex brands or top national brands...your choice
- Same day delivery...round-the-clock support
- Complete in-stock supplies and equipment
- Training programs to keep customers up and running

OUR SHOWROOM AND SERVICE DEPARTMENT

In our vast showroom you can test and purchase a broad spectrum of products from cleaning supplies to the most advanced cleaning machines. We service what we sell through our "Simplex Service Plus" equipment policy. Our specialists provide on-site equipment analysis and a comprehensive parts inventory to do repairs quickly and efficiently. If necessary, a free loaner will be provided until your machine is repaired.

OUR WAREHOUSE: WALL-TO-WALL SOLUTIONS

Our state-of-the-art warehouse is one more advantage that sets Simplex Janitorial apart. You can be assured of having the product you want when you want it.

If we don't have it...you don't need it.

OUR SALES FORCE

SIMPLEX JANITORIAL LISTENS. Our highly trained and experienced account executives offer customized solutions that meet your individual needs. They have the right products and the right information to help you select what works for you. We hold regular customer satisfaction meetings to make sure we're meeting your needs every step of the way. And our broad-based educational training sessions relate directly to today's cleaning maintenance industry.

EXECUTIVE COMMITTEE

SIMPLEX JANITORIAL SUPPLIES: SIMPLY THE BEST

Whether you choose the best national brands or cost-saving, high-quality Simplex Janitorial brands, our products cover your cleaning needs from A to Z including:

- Carpet Care Systems
- Floor Care Systems
- Paper & Plastic Products
- Restroom Systems
- Maintenance Products
- Engineering & Maintenance Chemicals
- Full Range of Cleaning Machines
- Environmentally Preferred Cleaning Products

SIMPLEX JANITORIAL CLASSROOM AND ON-SITE TRAINING

In our new classroom or at your facility, you get the best hands-on training including: the most innovative cleaning systems and procedures, staffing, regulatory compliance, equipment operation and safety.

OUR DELIVERY ADVANTAGE

Same day delivery when you need it.

We're driven to serve our customers. Our fleet of trucks is on the road every day, with excellent on-time delivery every day.
